

PROJECT LIST

Tasks and projects to be completed
on our 2010 work weekends.

Spring Work Weekends:

- ~~Opening buildings and cleaning them — cabins, washhouses, rec hall, etc~~
- ~~Moving items put away for winter storage to their summer locations~~
- ~~Removing branches that have fallen in main camp areas during winter~~
- ~~Oil changes and tune-ups for all vehicles~~
- Finish the Birdhouse refresher
 - ◆ New wainscoting in some areas
 - ◆ ~~Finish painting the outside~~
- ~~Cleaning all fire pits and setting up sitting logs~~
- ~~Setting up the tents~~
- Cutting up trees for firewood and restocking all woodsheds
- Sanding surfaces inside cabins to remove graffiti (PATHFINDER CABINS FINISHED!)
- Clearing debris from the spillway
- ~~Replacing the fence around the horse corral~~
- ~~Woodchips for the ropes course~~
- ~~Scrape and paint soccer goals and put in place~~
- Chainsaw action
 - ◆ trimming branches and cutting trees for the new trails
 - ◆ ~~cut up trees on buildings~~
 - ◆ ~~Cut up fallen trees and broken branches around camp~~
- Build a stone wall at the entrance road
- Major cleanup at the Maintenance Barn inside and outside
- ~~Pour pylon footings for lean-to~~
- ~~Move lean-to to location~~
- Clean up behind archery range
- Re-roof west end of Health Hut and 4x4 corner of Trailblazer washhouse
- ~~Replace some window screens~~
- ~~Fix birdhouse sink~~
- Repair life jacket rack at sailing

To be done on Labor Day weekend:

- Take down tents
- Take in swimming docks
- Store boats
- Clean and pack items in kitchen, dining hall, rec hall
- Restocking all woodsheds

Come back after each work weekend to see what we've accomplished and any new tasks we've added to the list.
